

MOHD HAROON

9818687175 | haroonddev2@gmail.com | linkedin.com/in/haroonsaifi17 | portfolio: haroonsaifi.tech

TECHNICAL SKILLS

Libraries: Angular, React.js, Express.js, Node.js, Tailwind CSS, Next.js

Languages: HTML, CSS, JavaScript, TypeScript, Rust, C++

Databases: MongoDB, MySQL

Tools: Git, Neovim, Figma, Postman, Nginx, Linux, Docker, Cloud

PROJECTS

PrepZone | *AngularJS, MongoDB, ExpressJS*

- Implemented **secure OAuth2 Google authentication** system enabling streamlined **student registration** and **login process** across multiple institutes
- Designed **interactive analytics dashboard** displaying **personalized performance metrics** and **study recommendations** based on JEE/NEET test history
- Built comprehensive **admin portal** allowing institutes to manage **question banks** (700+ questions), **automate test generation**, and track detailed **student progress reports**

Sketchomes | *AngularJS, Tailwind CSS, Three.js*

- Engineered **static portfolio website** with **Three.js 3D visualization**, enabling interior designer to showcase **15+ residential projects** through immersive virtual tours
- Implemented **SEO optimization** and **responsive design** resulting in increased **client engagement** and improved online visibility for professional design services
- Developed **modern UI/UX** with **custom animations** and **gallery features**, helping client establish strong online presence in competitive interior design market

HackNChill | *ReactJS, Vite, NodeJS*

- **Developed the "HackNChill" Platform** Engineered a **Squid Game-inspired hackathon website** for GDSC ADGIPS, achieving **1000+ registrations** and significant user engagement.
- **Implemented Core Features** Designed and integrated **timelines, themes, Q&A, and prize details**, ensuring smooth navigation and interactivity for participants.
- **Boosted Sponsorships and Engagement** Secured **multiple sponsors** through an engaging interface and animations, enhancing event visibility and participation.

EDUCATION

Dr. Akhilesh Das Gupta Institute of Professional Studies

Bachelor of Technology

2022 – 2026

EXPERIENCE

Full Stack Developer

Freelancing

2023 – Present

- **Delivered Client-Centric Solutions** Built and deployed **multiple applications**, achieving **100% client satisfaction**
- **Proven Track Record** Managed diverse projects, meeting **strict deadlines** with scalable and efficient solutions.
